

Privacy Policy for Doctors

Effective Date: 30/1/2025

1. Introduction

Carepulse collects and manages healthcare professionals' data in compliance with **NDPR, Nigerian Medical and Dental Council rules, and other healthcare regulations.**

2. Information We Collect

- **Professional Details:** Name, medical license, specialization, and hospital affiliation.
- **Contact Information:** Email, phone number, and office address.
- **Consultation Data:** Patient records, appointment schedules, prescriptions.
- **Billing and Payment Information:** Payment details for services rendered.

3. Purpose of Data Collection

Your data is used for:

- Facilitating consultations and medical record management.
- Verifying professional credentials.
- Processing payments and claims.
- Ensuring compliance with medical regulations.

4. Data Confidentiality & Sharing

We only share data:

- With **patients** based on medical necessity.
- With **hospitals and insurers** for billing and operations.
- With **regulatory bodies** for compliance.
- **We do not share data for marketing.**

5. Your Rights as a Healthcare Provider

You can:

- Access and update your profile.
- Manage and secure patient data.
- Request data deletion upon account termination, per legal requirements.

6. Security Measures

We employ **encryption, secure logins, and access controls** to protect your data.

7. Contact Us

For inquiries, email **carepulseNg@gmail.com**.
